

Super Benji - The League of Grace

A Pick Your Own Story Book

Pick Your Own Story

This is a Pick Your Own Story book - you can choose the path you want to take through the book. Each choice you make branches the story out in different ways - some of them good, some of them bad, but only one of them is the way Benji actually went.

You can find the route Benji went on by getting the secret codes at the end of some routes. Fill in the number added at the end of each route, and then consult the finished chart to find the choice Benji made at each route.

Benji is a superhero in the League of Grace, a crime-fighting team located in Benji City on Benji Island. They fight Dr. Banana, a banana who was mutated by radiation and turned evil, and his team of villains.

When you see text in bold, it indicates a choice you have to make or an action you have to do. If the bold text says **Turn to page 3**, then you simply turn to the page marked 3. Page numbers are at the bottom of each page. If the text has two options below it, it indicates a choice. Pick the choice that Benji will make and then turn to the page next to the choice.

Benji is sleeping in his room at the League of Grace headquarters. He hears the door open and Jordan walks in.

“Hey, Benji! You need to wake up! Dr. Banana stole the Banana Gem overnight!” Jordan says with panic in his voice.

Benji slowly gets out of bed. “Can you say that again? I was half asleep.”

“The BANANA GEM got STOLEN, Benji!” Jordan says.

Benji is suddenly wide awake. He sprints downstairs and goes to talk to the rest of his team.

Noah walks up to him and tells him some bad news.

“We’re out of Banana Munchies cereal...” says Noah.

Benji starts to walk out of the room. “Seriously?” he says as he walks out.

Jordan follows Benji. “We have to get the Banana Gem back!” he says.

“But where do we go?” Benji asks.

“Well, we can go to Benji City or Acorn Village. Benji City has people who can help us find the Banana Gem...”

“So it’s obvious where we’re going.”

“But, Acorn Village has Wisconsin in a Building. And I know you’re going to want some cheese and root beer.”

Where does Benji go?

Acorn Village - Page 3

Benji City - Page 5

Benji decides to go to the Acorn Village. He walks out of Benji City and goes to Leafy Canyons to start his journey.

He walks through Leafy Canyons and arrives at Chestnut Mountain. Standing at the top, he can see all of Benji Island.

He walks down the mountain and into Acorn Village.

As he arrives, he sees Dr. Banana running through the village.

“Hello, Benji!” Dr. Banana says, coming to a stop near him. “I’ve captured Addie. You can only have Addie back if you stop looking for the Banana Gem.”

“Well, what if I just rescue Addie AND the Banana Gem?” asks Benji.

“Well, you’re not going to do that. I made my base impenetrable! That’s not a description of the base, that’s the secret password to get in!”

“Why are you telling me this?” asks Benji.

“I don’t know, but you can’t make it through the base!

Dr. Banana runs away and escapes.

Benji has two choices. Benji can follow Dr. Banana or look for clues inside of Wisconsin in a Building.

What does Benji do?

Follow them - Page 6

Look for clues in Wisconsin in a Building - Page 8

Benji goes into the Prison Fort. Tempter is waiting in the center of the fort.

“So you’ve come to stop Dr. Banana, Benji?” Tempter asks.

“Yes, I have,” says Benji.

“Then prepare to get beaten up!” says Tempter.

Tempter runs over to the wall and pulls a lever. The floor below Benji drops away, and he falls into a pit.

Tempter looks down in the pit. “You can’t defeat me, Benji! Dr. Banana will take over the world with the Banana Gem!”

Tempter sets up a portable jail cell on top of the pit, and then pulls the lever back up.

The floor goes back up, and Benji sits in a jail cell.

YOU UNLOCKED ENDING 8: BUTT KICKED

Your ending choice number is 22.

Benji walks out of League of Grace headquarters into Benji City, hoping some of his team members there might have some clues to where the Banana Gem went.

Benji walks up to Hallie's Cheese Curd Emporium, where Hallie, Scarlett, Addie, and Emily work part-time in addition to being League of Grace members.

"Hey, Hallie! Can I have a large bowl of cheese curds?" Benji sits down at a table and orders.

"We're a little bogged down today," says Hallie. "Neither Emily or Addie showed up to work yet."

Suddenly, Emily runs into the restaurant. "Addie got kidnapped by Dr. Banana!"

Hallie drops the glass of water they were carrying for Benji.

"Dr. Banana dragged Addie out of Wisconsin in a Building in Acorn Village. They didn't even finish their wheel of cheese!" says Emily.

"Oh no!" says Benji. "What a waste of cheese!"

"So, what are we going to do? Dr. Banana has a base in Banana City, but we could also go to Wisconsin in a Building to get clues."

Where does Benji go?

Start going to Dr. Banana's Castle - Page 7

Go to Wisconsin in a Building - Page 9

Benji chases after Dr. Banana and Addie. Dr. Banana is trying to run to what appears to be a secret base nearby.

Dr. Banana crosses a railroad track during his escape. As Benji crosses it, he hears the whistle of a train. He turns around to look and is hit by an oncoming train at high speed.

YOU UNLOCKED ENDING 2: TRAINS

Your ending choice number is 5.

As Benji starts walking towards Dr. Banana's castle with Hallie, Emily, and Scarlett, he walks through Leafy Canyons, to the general area of Acorn Village. As he walks around the village on the route to Dr. Banana's castle, he notices an obstacle on the route he didn't remember last time.

"When did this fort get here?" Benji asks.

"Last time I made this trip, this was an empty path!"

A voice rings out from the fort. "Welcome to the Prison Fort, run by Dr. Banana. This is your prison guard, The Tempter. Please wipe your feet on the way in and enjoy your stay."

"So this fort is run by Dr. Banana, huh?"

Benji asks. "Well, this could be where Addie is, and we need to go through this to keep going on the path. Who wants to go in?"

Both Hallie and Emily say that they don't want to go in, but Scarlett says that they can if you feel like they're better for the job.

Who goes into the Prison Fort?

Benji enters Wisconsin in a Building to look for clues...

Benji walks up to the bar. He orders a slice of cheese and a root beer. Looking around for clues, Benji asks Jack, a bartender who also works for the League of Grace.

"What did Dr. Banana do here before he captured Addie?" Benji asked Jack.

"Dr. Banana walked up to the bar and ordered a cheese wheel to 4562 Banana Valley Road, and then grabbed Addie and ran out."

"Hmmm. Interesting..." Benji sits down and takes a sip of his root beer.

"Why do you ask?" Jack asks.

"I'm trying to see if I can rescue Addie," says Benji. "But I need more clues..."

"You have enough clues. You know where Dr. Banana's base is..."

Benji walks over to Wisconsin in a Building with Hallie, Scarlett, and Emily to see if he can find some more clues. But when he gets to Acorn Village, it's already night and Wisconsin in a Building is closed.

“But I need some clues...” Benji says. “I really need to solve this mystery...”

“Then why don't you just go in now?” Scarlett asks. “They're not going to arrest you! You're a hero!”

Scarlette walks into the Prison Fort. From the outside, Benji can hear the sounds of a fight inside. When he listens closer, he can hear the sounds of a minigun and someone eating cheese curds.

After a couple minutes, Scarlette comes out.

"It's free to go through," Scarlette says.

"Holy cow, Scarlette," Benji says. "Did you use a minigun on Tempter?"

"Yes, but the minigun shot cheese curds. I got it from the Cheese Curd Emporium Gift Shop."

"Where did the cheese curds come from?" Emily asked. "None of the ones from the gift shop are stocked..."

"I took some of the cheese curds from one of the bags that we had in the back room," says Scarlette.

"Those were for a special order!" says Hallie. "We need to go home and make more immediately!"

As Hallie, Emily, and Scarlette walk away, Hallie shouts back to you. "I'll send Jack, Jordan, and Noah to come follow you when we get back to headquarters."

The way forward from here is through Crystal Caves. But Benji forgot to bring a map, and Crystal Caves has a lot of maze-like passageways. But, Benji can go around Crystal Caves and take another route around the edge of the cave.

What does Benji do?

Go through Crystal Caves - Page 14

As you walk to Dr. Banana's base, you see a hole dug into the ground. A sign is written next to it. "This is not an entrance to a secret base!" is written on the sign.

Benji goes into the hole. The hole leads to a tunnel. After Benji walks out of the tunnel, it opens up into a big pit of lava, with Addie dangling into a cage over the pit. The pit is slowly lowering down into the lava. A timer attached to the rope holding the cage up reads a time around 20 hours.

Addie looks at Benji and says, "Finally! Benji, can you please let me out of here?"

"How do I get you out without you falling into the lava?" asks Benji.

"Well, you can either cut the rope and get me out, or you can stop the rope from lowering and then open the cage. The computer over there controls the rope."

What does Benji do?

Try to stop the rope from lowering with the computer - Page 17

Cut the rope and then grab the cage - Page 15

Benji walks up to the door of Wisconsin in a Building and kicks it down. An alarm goes off, and Benji stops in his tracks.

The police come down the road and block off Benji. One of the police officers comes out.

“Benji! Put your hands where I can see them!” The police officer says.

Benji puts his hands in the air, gets in the police car, and then is taken to jail.

YOU UNLOCKED ENDING 7: BREAKING AND ENTERING

Your ending choice number is 14.

Benji orders another root beer and slice of cheese, and looks around for more clues. There are no clues, but as Benji walks around, one of the people in the bar asks him, "Hey, aren't you the one who reported \$0 in income for taxes this year?"

"Uhh... yeah?" says Benji.

"Well then, how did you pay for two giant root beers and slices of cheese?"

"Uhh... I actually made some money this year..."

"So then you lied on your tax report?"

"Sure looks like it, doesn't it?"

The person gets up and shows Benji their badge. The badge shows that the person is an agent at the IRS.

"Unfortunately, you're under arrest for tax evasion."

The IRS officer escorts Benji to jail.

YOU UNLOCKED ENDING 3: TAX EVASION

As you go through Crystal Cave, you make a couple of wrong turns and go into a couple of dead ends, but you eventually make it out the other side.

You come out of the cave into Banana City. The city has lots of buildings that look like bananas, citizens who are fans of Dr. Banana walking around, and then a big castle in the middle of the city.

Benji wants to sneak into Dr. Banana's castle, because it's obviously heavily guarded.

How does Benji go in?

Through the front door - Page 18

Sneak through the backyard - Page 19

Benji cuts the rope to the cage, and then runs and grabs it out of midair before it hits the lava. As the cage hits the floor, it breaks open and Addie climbs out.

“Thanks for saving me, Benji! Now how do we get out of here?” Addie asks as they climb out.

Benji and Addie walk out of Dr. Banana’s base and back to the League of Grace headquarters. Addie was rescued, but the Banana Gem didn’t get saved.

Benji walks around Crystal Cave through a path above the cave. The Isle of the Wet is visible in the distance, and a thunderstorm is visible there. As Benji walks around, Benji can see a cliff that's too high to climb up. He decides to swim around the cliff until he can get back onto the path.

As he climbs into the water, lightning strikes into it near the Isle of the Wet. The lightning electrifies the water, and Benji gets shocked.

YOU UNLOCKED ENDING 9: LIGHTNING STRIKE

Benji walks over to the computer controlling the rope hanging Addie over lava. He presses the button on the computer that says “RELEASE PRISONER”.

As Benji presses the button, the screen prompts him. “Please enter the password to release the prisoner.”

What is the password?

Benji walks up to the front door of Dr. Banana's castle and knocks on the door.

Dr. Banana's minion, Minion the Potato, answers the door. "Hello, welcome to Dr. Banana's castle!"

"Where's Dr. Banana?" asks Benji.

"He evacuated to Hallie Village," says Minion.

What does Benji do?

Go to Hallie Village - Page 20

As Benji walks through the castle of Dr. Banana's backyard, he hears a voice through loudspeakers.

“Bomb test in backyard activates in 3... 2... 1...”

Benji hears the whistling of a bomb falling from the air and it detonates on top of him.

YOU UNLOCKED ENDING 10: NUKED

Benji goes to Hallie Village to find Dr. Banana. As he enters Hallie Village, he is immediately swarmed by Dr. Banana's soldiers.

"Dr. Banana told us to come here," says one of the soldiers. "We're stalling so Dr. Banana can launch a nuke here. Run, boys!"

The soldiers run away as a nuclear bomb falls on Benji.

YOU UNLOCKED ENDING 11: NUKED, BUT AT HALLIE VILLAGE

Your ending choice number is 30.

You enter the password “plantain”. The computer beeps and says “Incorrect password. Password has been locked and cage unlocking has been disabled.”

Benji decides he needs to try cutting down the cage.

Go to page 15.

“Can I come inside?” asks Benji.

“Sure,” says Minion.

Benji walks inside Dr. Banana’s castle. As he goes into Dr. Banana’s “secret plotting room”, he sees Dr. Banana’s computer on the table.

Benji opens Dr. Banana’s recent searches. Some of them include:

- *“How to build nuclear bombs”*
- *“Moving to a lava planet”*
- *“Buttburner plane prices”*
- *“Hot female bananas in my area”*

Faced with this information, Benji decides that Dr. Banana must’ve gone to Buttburner, not Hallie Village as Minion told him.

Benji thanks Minion for the hospitality and walks out of Benji City to Lava Valley, which has a portal to Buttburner and Dr. Banana’s base.

As Benji walks out of Benji City, he meets up with Jack, Noah, and Jordan, as well as Addie.

“We rescued Addie from one of Dr. Banana’s secret bases,” says Jordan.

Benji starts walking through Lava Valley. After a bit of walking, he comes upon a stand that says “LAVA VALLEY PORTAL - YO MAMA JOKE TO ENTER”.

Turn to page 25.

You enter the password “impenetrable”. The computer beeps and says “You have entered the correct password. Cage opened.”

Addie jumps out of the cage and stands next to Benji at the computer.

Benji realizes that the entire computer terminal unlocked when he entered the correct password. “Let’s see what else I unlocked on this computer,” Benji says.

After Benji looks through the computer, he sees a program called “self-destruct.exe”. After he double-clicks it, he hears a countdown on the loudspeakers.

“Base self-destructing in 30... 29... 28...”

Benji and Addie run out of the base just in time, and it blows up behind them as they run back to the League of Grace headquarters.

YOU UNLOCKED ENDING 6: NO BASE?

Your ending choice number is 26.

Extra Ending Code: Decode Dr. Banana’s Backstory with the Caesar Cipher, key 12.

You enter the password
“antidisestablishmentarianism”. The computer
beeps and says “Incorrect password. Password has
been locked and cage unlocking has been
disabled.”

Benji decides he needs to try cutting down the
cage.

Go to page 15.

The stand says "BUTTBURNER PORTAL - YO MAMA JOKE TO ENTER".

Benji walks up to the stand and says "Why do we need to tell you a Yo Mama joke to enter Buttburner?"

The person running the stand says, "We need to limit the number of people going to Buttburner. I'll tell you a Yo Mama joke, and then you tell me one, and then if you find a better one than me, you can enter Buttburner."

"That sounds fair," says Benji. "Let's start."

"Your mom is so fat I took a picture of her last year and it's still printing," says the person behind the stand.

What joke does Benji say?

"Yo mama is so fat that I filled up my 1 petabyte hard drive with one picture of them!" - Page 28

"Yo mama is so fat that she stepped on a scale and said, 'I asked for my weight, not my phone number!'" - Page 26

The person at the Yo Mama joke stand says, "Congratulations! You told me a very good Yo Mama joke and will now be allowed back into Buttburner. Thank you for visiting, and have a nice stay."

Benji walks past the stand. He sees a cannon that says "Enter cannon to launch to Buttburner."

Benji enters the cannon and presses the Launch button. He is launched into a portal in the sky and flies into Buttburner.

As he lands, he is arrested by two guards in armor. "Please come with me," says one of the guards.

A man runs up to the guards. "Don't worry about arresting them. I have orders to escort them."

"We're not so sure about that," says one of the guards. "If they don't come with you, we'll have to arrest them for trespassing."

The man says, "Don't worry, they'll come with me."

What does Benji do?

Go with the mysterious man - Go to page 27

Refuse to go with the man - Go to page 29

Benji and company decide to go with the mysterious man. As they walk with the man, the man starts asking them some questions.

“So, you’re part of the League of Grace, right?” The man asks them.

“Yes. We’re here to stop Dr. Banana from taking over the world.” says Benji.

“Hmm... Interesting...” says the man.

The man picks up his phone and makes a call. “Hi, Dr. Banana. Yes, this is Jacob. I’ve got them to follow me, and we’re right over the volcano trap. Can I drop them in? ...Yes, do it? All right.”

Jacob hangs up the phone and turns around to talk to Benji and the rest of the League of Grace.

“Unfortunately, Dr. Banana has ordered me to drop you inside a volcano. I’m sorry about the inconvenience. Enjoy your fall!”

Jacob presses a button on his phone and a trapdoor opens under Benji’s feet.

Benji and the rest of his group fall down into the hot lava of the volcano, but Scarlett grabs onto the edge of the platform and reaches into her pocket to grab out a grappling hook.

Scarlette shoots the grappling hook onto a safe platform, where it hooks on. Scarlette winds down the grappling hook so everyone can reach.

“Get on!” Scarlette says.

Turn to page 30.

Benji tells the Yo Mama joke to the person at the stand.

“What’s a petabyte?” they ask.

“It’s a unit used to measure digital data storage,” says Noah. “It’s a lot of storage, considering a normal small photo takes up less than a megabyte - a billionth of the size. A photo that takes up an entire petabyte would need to be an incredibly big photo, like one of your mom.”

“I don’t understand,” says the person at the stand.

“Okay, that’s an issue on your part,” says Noah,

“Alright. I’ll tell my joke now...” says the person at the stand.

“Your mom is so fat that they took a swim in the ocean and got colonized by England.”

Everyone laughs, except for Benji.

“Looks like I win the competition, then,” says the person at the stand. You aren’t allowed into Buttburner. Please come again tomorrow to try again.”

YOU UNLOCKED ENDING 12: ROASTED

Your ending choice number is 10.

Benji refuses to go with the man.

“All right, guards. Feel free to dispose of them now,” says the man.

The guards arrest Benji and company and take them to a jail cell.

“Dr. Banana will deal with you soon,” says one of the guards. The guard leaves.

After a bit, the guard comes back. “Benji, you have been sentenced to nuking, for tax evasion. Please stand still to be nuked.”

A nuke falls on the jail cell.

YOU UNLOCKED ENDING 13: ARRESTED AND NUKED

As everyone climbs out of the volcano trap, Benji sees Jacob running away.

“Let’s chase this guy,” Benji says.

“I’m not sure we should,” Jordan says. “We need to go get Dr. Banana before it’s too late.”

Benji decides to chase Jacob. As he runs after him, he hears him call Dr. Banana again.

“Hey, Dr. Banana. Can you send a nuke to this location? Benji is dumb enough to chase me again.”

Jacob hangs up and keeps running. Benji hears a whooshing coming through the air and sees a nuclear bomb coming at him at high speed.

YOU UNLOCKED ENDING 5: NUKED, BUT ON BUTTBURNER

Benji goes to Dr. Banana's castle and sees him sitting on a giant laser with the Banana Gem on it.

"Ah, so you've arrived, Benji." Dr. Banana talks to Benji as he arrives. "Are you ready to see me destroy the world with my ultimate power?"

"No, I'm not!" says Benji. "I'm here to stop you."

"I wasn't ready to see me destroy the world either," says Dr. Banana. "My mission is just to destroy the world's security systems and allow me and my minions to plunder whatever we want!"

"Well, I can't let you do that," says Benji. "Get ready to be stopped!"

Benji and Dr. Banana have an epic battle. Benji attacks Dr. Banana, and Dr. Banana counterattacks. Eventually, Benji gets the upper hand and steals the Banana Gem from Dr. Banana.

"Nooo! My ultimate power!" says Dr. Banana. His laser deactivates and falls to the ground."

"Maybe next time you'll learn that... uh... destroying the world is never a good idea?" says Benji. "Yeah, I didn't rehearse this ahead of time."

YOU UNLOCKED ENDING 1: SAVE THE WORLD

After the epic battle with Dr. Banana, Benji puts him in handcuffs and escorts him and his minions back to Benji City. There, Dr. Banana is put in jail. However, he manages to bribe the mayor to bail himself out in a record time of 37 minutes and 26 seconds.

As they go back to Benji City, Benji and the rest of the League of Grace go back to Benji City for a celebration of the hard work it took to defeat Dr. Banana. Jean, one of the founding members of the League of Grace shows up to the party.

Benji and the rest of the League of Grace go back to their homes and take a well-deserved rest after a long day of defeating Dr. Banana.
